

# List Medications

YOU are a full partner when it comes to your healthcare. It is your responsibility to supply the members of your team with the information they need to provide you with the best possible care.

For your convenience, here is a form to help you list the information we need to know about the medications you are currently taking.

#	Medication Name	Strength	Taking: How Much? When? With What?	Reason	Prescriber
#	<i>ibuprofen</i>	<i>800 mg</i>	<i>1 pill in morning with milk</i>	<i>Knee Pain</i>	<i>Dr. Seuss</i>
